MOTION: SECOND: VOTE:  
RESOLUTION 10-10 R. Medina city manager

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CALIPATRIA  
CONSENTING TO THE FUNDING OF PUBLIC IMPROVEMENTS LOCATED  
WITHIN**

**THE CALIPATRIA IMPROVEMENT PROJECT AREA BY THE CALIPATRIA  
CITY COUNCIL AND AUTHORIZING ADOPTION OF A PUBLIC  
IMPROVEMENTS ASSISTANCE AGREEMENT IMPLEMENTING SAME**

**(Block 23, portion of Townsite of Calipatria, located on Alexandria Street)**

**WHEREAS**, the City Council of the City of Calipatria (the "City Council" and the "City" respectively) has by its Ordinance No. 282 adopted on July 23, 1991 approved the Redevelopment Plan for the Calipatria Improvement Project Area (the "Redevelopment Plan" and "Project Area" respectively); **and WHEREAS**, there exists a need to provide infrastructure improvements for residents of the Project Area and to partially address this need, the City Council has before it a Public Improvements Assistance Agreement (the "Agreement") by and between City and East Alexandria 6 Holdings, LLC and East Alexandria 9 Properties, LLC. (the "Developer") to Loan Developer for its expenses in completing certain public improvements more specifically identified in Section 100 of the Agreement up to a maximum amount of FORTY-FOUR THOUSAND SIX HUNDRED DOLLARS AND 00/100 (\$44,600.00), (The "infrastructure Improvements"), which Infrastructure Improvements are an integral part of Developer's development of the two single family homes (the "Project") and are required as a condition of completion of the Project; **and WHEREAS**, the Project is completely located within the Project Area; **and WHEREAS**, the construction of said Infrastructure Improvements, in conjunction with and as an integral part of the development of the Project, will provide a benefit to the Project Area by assisting in the elimination of one or more blighting conditions inside the Project Area such as depreciated or stagnant property values and inadequate public improvements as identified in Table 1 of the 2005-09 Implementation Plan adopted by the Calipatria City Council (the "city"); **and WHEREAS**, Section 33445 of the California Health and Safety Code (the "Code") provides that a redevelopment agency may use its funds for publicly awarded projects with the consent of the legislative body if provided for in the redevelopment plan and if the legislative body determines all of the following:

1. That the buildings, facilities, structures or other improvements are of benefit to the project area or the immediate neighborhood in which the project is located, regardless of whether the improvement is within another project area, or in the case of a project area in which substantially all of the land is publicly owned that the improvement is of benefit to an adjacent project area of the agency.

2. That the developer has requested loan financing for the buildings, facilities, structures or other improvements available to the community.
3. That the payment of funds for the acquisition of land or the cost of buildings, facilities, structures, or other improvements will assist in the elimination of one or more blighting conditions inside the project area and is consistent with the agency's implementation plan; and

**WHEREAS**, the City Council is the legislative body of the City as provided for in the Code. **WHEREAS**, there are insufficient funds in the General Fund, or any other special fund of the City, to provide the assistance of Infrastructure Improvements. **NOW, THEREFORE**, the City Council of the City of Calipatria does hereby resolve as follows:

Section 1. The use of Loaning Agency funds for construction of the Infrastructure Improvements as set forth in the Agreement is of benefit to the Project Area or the immediate neighborhood in which the Project is located.

Section 2. Because of continued negative economic, social and physical conditions both within the Project Area and other parts of the City, and constraints on the City budget, no other reasonable means of financing such public improvements are available to the community. In fact, the City has consistently identified the Block 23, portion of Townsite of Calipatria, located on Alexandria Street in the City of Calipatria but has been unable to improve due to continued lack of funding.

Section 3. The loan assistance of funds for the construction of the Infrastructure Improvements will assist in the elimination of one or more blighting conditions inside the Project Area such as depreciated or stagnant property values and inadequate public improvements.

Section 4. The use of funds for the Infrastructure Improvements is provided for in the programs and projects list of the Redevelopment Plan.

Section 5. Pursuant to Section 33445 of the Code, the City Council hereby consents to the use of Agency funds in an amount not to exceed FORTY-FOUR THOUSAND SIX HUNDRED DOLLARS AND 00/100 (\$44,600.00), the Infrastructure Improvements.

Section 6. The Agency's funding of the Infrastructure Improvements is consistent with Goal No. 2 of the Agency's FY 2005-09 Implementation Plan and specifically Objective (a) Implementation a program for upgrading infrastructure within the downtown area and in other parts of the project area as necessary.

Section 7. The City Council hereby authorizes and directs the Mayor to execute the Public Improvements Assistance Agreement substantially in the form presented to it.

Section 8. The City Council hereby authorizes and requests the Agency to expend not to exceed \$44,600.00 in compliance with the terms and conditions of the Agreement.
